Dear Basker and Latha,

I hope this letter will find you in the best of health and sprits. I take this opportunity to thank you for inviting me along with Sri SP Balasubrahmanyam and his team for the music concerts on 3<sup>rd</sup> May 2014 in Sydney and 4<sup>th</sup> May 2014 in Adelaide.

It was indeed a pleasure working with you both, Bala sir and his team including Suhasini, SP Sailaja and SP Charan. The audiences were so well behaved and disciplined.

From travel to transport, accommodation and food, all aspects of the tour were very well taken care of. We also enjoyed our trip to the Ayyappan Temple in Sydney.

Please convey my sincere thanks to the Sydney Olympic Park Authorities for letting us host the show and for providing us with a conference room for our practice sessions.

In all I am pleased to have a successful show and I thank you both for inviting me to be a part of this wonderful tour. I am looking forward for another opportunity to come to Australia with you. Thanking you and warm wishes.

Yours Sincerely
